Free at Sea – everything you need to know

What benefits does Free at Sea offer?

With Free at Sea, we make pricing easy with two standard price levels per category:

- **The base fare**, which includes a variety of included services like unrivalled dining experiences, award-winning entertainment and modern leisure facilities.
- **The possibility to upgrade** the cruise experience at a fixed rate (depending on the length of the cruise) to Free at Sea.

Which dining options are always included?

Our guests can choose between a wide variety of complimentary dining options including up to three main dining rooms, buffet restaurants with live-cooking stations, late night dining restaurants and more.

Do all guests in the stateroom including children have the same upgrade?

If guests 1 and 2 opt for the Free at Sea programme, the other adult guests travelling in the same stateroom will automatically be opted-in as well and the upcharge applies. Additional adult guests in the same stateroom receive the beverage and Wi-Fi package only for a reduced upcharge price. Additional children in the same stateroom don't have to pay for the upgrade but only receive the Wi-Fi package.

Depending on their age and stateroom occupancy, which packages exactly do the guests receive?

Only the first guest in the stateroom receives the shore excursion discount. Guests 1 and 2 receive the Free at Sea beverage package (or soda package if they are minors), speciality dining package and Wi-Fi package. Additional adult guests travelling in the same stateroom receive the Free at Sea beverage package and Wi-Fi package. Additional children in the same stateroom receive the Wi-Fi package only. Of course, all guests can still dine in our Speciality Restaurants, paying a cover charge on board (US\$ 40 to 60 per person per restaurant, subject to availability). Children do not need to pay the cover charge if ordering from the free kids menu. If ordering from the regular menu, children 13 to 18 years of age will be charged a full cover charge price and children two to twelve years of age will be charged a flat US\$ 20 cover charge. For children sailing as guests 3 to 8 the soda package can be added for US\$ 12,50 per person per day.

What is the Free at Sea offer for solo travellers?

Solo guests travelling in Studios and standard staterooms on a single-occupancy basis can also upgrade their

holiday with Free at Sea. In this case, the offer is tailored to one guest and can be added for the same price.

Does the Free at Sea offer have to be booked when setting up the initial reservation or can it be added at a later stage?

You can upgrade your customers' booking up to 24 hours prior to sailing.

What does the booking process with Free at Sea look like?

When shopping for the best available fare, the first price coming up in all reservation systems is the base fare (in the agent booking engine, the best fare comes up automatically). By choosing the promo code **NCLALLPK** (booking guide available on Marketing Headquarters), you select the Free at Sea price level and your customers get the extras applied to their booking.

Do I receive commission on the Free at Sea upgrade?

Yes, the upgrade fares are fully commissionable.

What happens to bookings created before 5 November 2025?

Existing reservations under the More At Sea programme booked before and including 4 November 2025 will still receive the More at Sea amenities at the price paid at the time of booking. If an existing FIT booking is updated after 5 November 2025 and the effective date changes (example: a reprice or upgrade), the reservation will receive the new Free at Sea package.
