OUR STORY

AmaWaterways was founded in 2002 by three families, but our river cruise story began well before that. Co-Founder and President Rudi Schreiner was born in Vienna, at the heart of the Danube. In 1975, as part of a journalism assignment, he designed his first ship, a raft he took along the Amazon River. Soon thereafter he started working in travel, creating unique tour experiences in Europe.

“There are certain experiences in life that end up drawing you down a path you had never envisioned yourself taking. My Amazon River trip made me want to help more people discover the joy of traveling through a country by river – and creating AmaWaterways with Kristin and Jimmy made this dream a reality.” – Rudi Schreiner

When the Rhine-Main-Danube Canal was built in 1992, Rudi became a driving force in the river cruising industry. He later teamed up with co-founders Kristin Karst and Jimmy Murphy to start AmaWaterways. Born in Germany, Kristin brings extensive experience in travel, river cruising and customer service in her role as Executive Vice President. Rudi and Kristin partnered with Jimmy Murphy, a brilliant travel entrepreneur who built Brendan Vacations. His son, Gary, now carries on his father's legacy in his roles as a co-owner and an active board member.

“Travel has been my life's passion and my greatest source of inspiration and creativity. I am very proud of AmaWaterways' success – it has taken grit, optimism and the insight to surround ourselves with really talented people who treat every new challenge as an opportunity to think differently and create something new that helps us stand out from the crowd.” – Kristin Karst

“We are proud to represent a product and river cruise experience that is enjoyed by travelers of all ages. We are truly inclusive, not only in our product delivery and everything we include in our price, but also inclusive of all ages, ethnic backgrounds and family compositions.” – Gary Murphy

INSIDER'S VIEW WITH THE EXPERTS

A superbly knowledgeable Wine Host, typically either from North America or Europe, will bring delicious wine on board, lead special tastings and discussions, curate a food and wine pairing dinner, and accompany you to historic cellars and vineyards ashore.

THE ART OF WINE PAIRING

Tantalize your taste buds at a food and wine pairing dinner, designed to heighten the relationship between the two. Rosemary-crusted lamb? A clear match for Chateauf-neuf-du-Pape. Oysters on the half shell? Try a Loire white. Rich chocolate cake? Port is in order.

Taste a centuries-old royal heritage at Austria's Greinburg Castle and celebrate good times and fine wines at festivals in France and Germany, among many more.

AUTHENTIC ENCOUNTERS

Authentic encounters add to the rich tapestry of local culture, always making for memorable encounters. Walk alongside artisans and vintners through the same fields in which their ancestors toiled. Learn how best to pair decadent chocolate with wine; discover how olives transform into the Mediterranean's prized nectar, olive oil; go in search of the "Black Diamond" truffles in Grignan; or be tempted by everything from apricot jams and strudels to apricot brandy while in Austria's enchanting Wachau Valley.

EUROPE'S LEGENDARY RIVERS

Along Europe's legendary rivers and waterways, major trade routes were born, generations of timeless traditions and legends were created, castles and fortresses were built and historic capitals were reimagined as modern metropolises. From fascinating art and architecture to sumptuous food and wine, you'll fall in love with everything Europe has to offer.

DUTCH AND BELGIAN WATERWAYS

Belgium and the Netherlands sit below sea level and encompass the land around the Rhine Delta and North Sea. These so-called "Low Countries" are particularly susceptible to flooding; however, with such protective defenses as Zuider Zee and the Delta Works Projects, the regions have prospered and have given way to countless canals crisscrossing these countries.

THE DANUBE

Europe's second longest river and inspiration for Strauss's famous "Blue Danube" waltz, the Danube passes through 10 countries and four capital cities—Vienna, Bratislava, Budapest and Belgrade. The UNESCO-designated Wachau Valley and spectacular Iron Gates are among its most majestic natural wonders.

THE RHINE, MAIN AND MOSELLE

The Rhine River flows through Switzerland, France, Germany and the Netherlands. Its upper middle valley—a designated UNESCO World Heritage Site—stretches for 40 miles and houses more than 40 castles and fortresses from the Middle Ages. The Rhine has two major tributaries: the Moselle, which flows past dramatic vineyard-clad landscapes and medieval towns with looming castles rising high above; and the Main, home to the 106-mile manmade marvel known as the Main-Danube Canal, which allows travel from the North Sea all the way to the Black Sea.

THE SEINE

France's second largest waterway, the Seine flows through the heart of Paris and continues westward through Normandy to the English Channel in an estuary between Le Havre and Honfleur, allowing you to sample some of the country's most renowned Champagne, ciders and Calvados. The name "Seine" comes from the Latin "Sequana," the Gallo-Roman goddess of the river; and because of its connection to Paris, this waterway has captured the imagination of poets, painters, novelists and architects for centuries.

THE RHÔNE AND SAÔNE

The Saône has its source in Northern France and meets the Rhône, which rises in the Alps in Lyon. The river then runs south through Provence to meet the Mediterranean near Arles. These rivers pass through several wine-producing areas such as Burgundy, and historic towns and cities, offering a wealth of artifacts and ruins showcasing their prominent role in the development of France.

THE GARONNE, DORDOGNE AND GIRONDE ESTUARY

In the corner of southwestern France, the Garonne and Dordogne rivers merge together to form the Gironde Estuary that naturally divides the famous Bordeaux region into the Left and Right banks. One of the largest controlled wine regions in France, Bordeaux is made up of several sub-regions, each with its own strictly governed appellation, unique climate and terroir. Travelers from around the world flock to this region known for its wine and other tantalizing gastronomic delights.

THE DOURO

This major river of the Iberian Peninsula flows from its source in Spain to its outlet in Northern Portugal, giving life to the region's Old-World villages and picturesque cities. It is here where river cruisers discover the Douro River Valley, the birthplace of Port wine and a designated UNESCO World Heritage Site.

SEVEN RIVER JOURNEYS THROUGH EUROPE

We are delighted to once again offer travelers the opportunity to take an extended history-making journey with us! Explore the heart of 15 fascinating European countries in full bloom as you sail during springtime or in the summer sunshine while gliding along legendary rivers and canals – the Rhine, Scheldt, Maas, Waal, Main, Moselle and Danube – as well as the history-making Main-Danube Canal that brought modern-day river cruising to life.

COLOMBIA'S MAGDALENA RIVER

Ride an authentic rickshaw through the town of Calamar. Be welcomed by a local band as you take a historic walking tour through Mompox, a UNESCO Site preserved in colonial charm, and discover the colorful stilt houses of Nueva Venecia. Go birdwatching and search for beautiful *Cianeguo* hummingbirds as well as the *Chauna chavaria* – only found in this region. You can do it all when you embark on the journey of a lifetime through the “Land of a Thousand Rhythms” and join AmaWaterways in 2024 as we become the first major river cruise line to explore Colombia along its magnificent Magdalena River.

Magdalena River in Mompox, Colombia

Personality of the Magdalena River

There is perhaps no river that embraces diversity more than the Magdalena, described by novelist Gabriel García Márquez as the “River of Life.” Many explorers sailed along its northerly path, paving the way for trade and communication between the Andes and the Caribbean Sea – and in fact the river basin today is home to approximately 80% of Colombia’s population, a melting pot comprised of Indigenous, European and African ancestry.

Outstanding Universal Value

The Magdalena is the only river in the Caribbean region, and it serves as the cultural heart of Colombia, upon which you can experience sites and cultural traditions that have been recognized by UNESCO for their outstanding universal value. From the military architecture and strategic location of Cartagena to the cultural heritage of the village of Palenque, to the historic center of Santa Cruz de Mompox, we are delighted to share these incredible places with you. In addition, Barranquilla boasts the second largest Carnaval celebration in the world, which has been declared a “Masterpiece of Humanity’s Intangible and Oral Heritage” by UNESCO. On our Magdalena River cruises, you will get a taste of Carnaval on every departure with an exclusive experience just for AmaWaterways guests!

Savor Colombian Caribbean flavors

Medellín, Colombia

Explore Colombia's history and culture

Cartagena, Colombia

EXPLORE COLOMBIA LIKE NEVER BEFORE

With year-round departures and a mild climate with temperatures that typically fluctuate just 20 degrees, Colombia is the ideal destination to experience at any time of year. While on board either our stunning *AmaMagdalena* or *AmaMelodia*, you will enjoy exquisite, locally-sourced cuisine inspired by the Colombian Caribbean coast. At each port of call along the magnificent Magdalena River, you will explore Colombia's rich history, traditions, local delicacies and more on a variety of included excursions each day, always returning to a warm welcome and the unparalleled service of your extraordinary Cruise Manager and crew on board your beautiful ship.

Join Us, Stay Awhile

While you are already in South America, make the most of your time and extend your journey to include AmaWaterways' optional land packages in cities such as Medellín, Colombia; Cartagena, Colombia; and Panama City, Panama. Plus, experience wish-list destinations and sites typically reserved for ocean travel, including awe-inspiring Machu Pichu and the historic marvel of manmade engineering known as the Panama Canal.

TERMS & CONDITIONS

BOOKING AND SALE TERMS & CONDITIONS IMPORTANT NOTICE: These are the terms and conditions governing the booking and sale of your cruise and related travel from AmaWaterways, LLC as sales and marketing agent for the carriers ("terms"). A separate Passenger Ticket Contract between the passenger and the carrier governs the cruise and travel itself. The Passenger Ticket Contract is available at www.AmaWaterways.com. Please carefully read these terms and the Passenger Ticket Contract which are binding to you and contain significant fees for cancellation and limitations of liability, including limitations on damages for baggage and other property, personal injury, illness or death; time limits for claims and suits, swiss choice of law and swiss forum selection requirements, and class action waiver.

PARTIES: In these terms and conditions, "you" or "passenger" or "participant" refers to the person booking, purchasing or traveling on the cruise, and to individuals traveling as part of that person's reservation. "We" or "us" refers to AmaWaterways, LLC, a California Limited Liability Company ("AWL"), which acts solely as a sales and marketing agent for the ship's owner, operator and/or charterer ("Carrier") and providers of other forms of transportation, lodging, tours or travel services ("Suppliers"). AMA offers the travel and enters into these terms and conditions with you pursuant to arrangements made with AWL. The term "Carrier" means the owner, operator and/or charterer of the vessel as set forth under "Carrier Information" below.

LIABILITY DISCLAIMER: We arrange with others for the services described in these Terms, your confirmation and/or our brochures. Carriers and Suppliers are independent third parties which are separate entities and are deemed not to be our principals, agents, employees or partners. We act solely as a sales and marketing agent for the carriers and suppliers and do not own or operate any ship or other mode of transportation, hotel or accommodation. Accordingly, we disclaim responsibility and liability for, and participant waives, releases and acknowledges that there shall not be any claim or recourse against us for or as a consequence of: breach of duty, breach of contract, negligent or willful or intentional act, failure to act or omission by any carrier or supplier. Carrier, Supplier and participant obligations and liabilities are subject in each case to terms and conditions of the Passenger Ticket Contract and each Supplier's contract, and any and all laws, regulations and international conventions that apply under those contracts, including, but not limited to choice of law, jurisdiction for disputes, limitations of liability, and time limitations for claims and suits. Participant agrees that we shall not be liable for any damage, loss (including personal injury, death, and loss of or damage to property) or expense occasioned by any act or omission of any carrier or supplier, or any provider of a travel protection plan, or insurer, or of any other person. If the services of a Carrier or Supplier cannot be delivered or there are changes in any planned service for any reason beyond our

control, we will make an effort to arrange similar services. Any resulting additional expenses will be participant's responsibility. Under no circumstances shall we be liable for consequential, exemplary or punitive damages arising from or relating to these terms, the Passenger Ticket Contract, the cruise or any related travel or activities, and our liability, if any, shall in no event exceed the amount paid to us for the travel.

PASSENGER TICKET CONTRACT: All ship transport is provided according to the terms and conditions of the passenger ticket contract, which is sent at the time of booking, is included in the digital travel documents sent prior to the cruise and is available for review at www.AmaWaterways.com. The passenger ticket contract establishes limits of liability, limits on claims, and time limits for making claims, as well as other restrictions, limits and disclaimers of carrier's liability for your death, illness, injury, or damage claims relating to baggage or personal property. It is governed by Swiss law and incorporates provisions and limitations under the Athens Convention relating to the carriage of passengers and their luggage by sea, 1974, and the protocol to the convention relating to the carriage of passengers and their luggage by sea, 1976, the international convention on limitation of liability for maritime claims, 1976, and the Strasbourg Convention on the limitation of liability of owners of inland navigation vessels, 1988. Venue for litigation of any disputes under the Passenger Ticket Contract is exclusively in the courts of Basel, Switzerland.

CLASS ACTION WAIVER: These terms and the Passenger Ticket Contract provide for the exclusive resolution of disputes through individual legal action on your own behalf instead of through any class or representative action. Even if the applicable law provides otherwise, you agree that any lawsuit against us or the carrier whatsoever shall be litigated by you individually and not as a member of any class or as part of a class or representative action, and you expressly agree to waive any law entitling you to participate in a class action.

CARRIER INFORMATION: For vessels flying the Swiss flag, the Carrier is AmaWaterways GmbH, an entity organized under the laws of Switzerland. For vessels in Portugal, the Carrier is DouroAzul, Sociedade Maritimo Turistica S.A, an entity organized under the laws of Portugal. For the vessel in Egypt, the Carrier is a partnership between AmaWaterways and Wings Tours & Nile Cruises, an entity organized under the laws of Egypt. For the vessel in Vietnam, the Carrier is Indochina Waterways, an entity organized under the laws of Vietnam. For the vessel in Namibia, the Carrier is Zambezi Queen Holidays PTY Ltd, an entity organized under the laws of Namibia. For a complete and up-to-date listing of the registry and Carrier for each vessel, visit www.AmaWaterways.com/CarrierInformation.

DEPOSIT AND FINAL PAYMENT: To confirm a river cruise or river cruise and land reservation, we require a deposit of \$400 per person for Europe and Asia, \$4,800 per person for Seven River Journey Through Europe itineraries, \$1,200 per

person for Egypt and \$2,400 per person for Africa itineraries on or before the deposit due date indicated on the confirmation. Transoceanic airline flights reserved through AmaWaterways require an additional deposit of \$350 per person for economy class or \$600 per person for business/first-class flights. Upon receipt of deposit, air schedule will be provided (subject to changes by carrier); deposited air will be ticketed within 75 - 90 days prior to travel start date once paid in full. Full payment is required for airline tickets to be issued prior to 90 days before the travel start date, at which time deposits will be non-refundable. Any air schedules and ticketing relating to AmaWaterways air promotions will be provided 75 - 90 days before the travel start date once full payment is received for the river cruise and promotional air price (if any). Included flights on Egypt pre- and post-extensions (Jordan and Israel) require an additional non-refundable deposit of \$200 per person, per extension. Bangkok land package requires a non-refundable deposit of \$200 per person. The Rwanda extension requires an additional non-refundable deposit of \$1,500 per person for the Mountain Gorilla permit and \$100 per person for the Golden Monkey permit. Hotel Extra Nights require a non-refundable deposit of \$50 per cabin at the time of confirmation of the hotel availability. The Concierge Golf Program requires an additional non-refundable deposit of \$700 per person. Other custom arrangements may also require non-refundable deposits and will be advised at the time of booking. Final payment is due no later than 90 days before the travel start date.

CANCELLATION CHARGES: In the unfortunate event a participant must cancel travel, notice must be made to AmaWaterways during standard business hours or via email to Res@amawaterways.com, which must include writing stating clearly and correctly each guest's name, ship name, start and end date of the cruise and a brief statement of the reason for cancellation. Other forms of notice are not sufficient. Cancellations received within 24 hours of vacation start date will be deemed as trip interruption, cannot be cancelled and are 100% non-refundable. The effective date of the cancellation is the date AmaWaterways receives cancellation notice. A change in sailing date, name changes, the substitution of a participant or a reduction in the number of guests in a stateroom are treated as a cancellation in that all applicable cancellation charges apply. A reduction in occupancy is subject to a single supplement charge. Cancellation charges for bookings within charter and part-charter agreements are as per the charter contract. All other cancellation charges are per-person, based on the cancellation date, as seen in the chart below.

You acknowledge that your cancellation will cause us and the Carrier difficulty in selling a replacement cruise or cruise & land reservation and thus the cancellation fees described below apply regardless of whether your cruise or cruise & land reservation is resold. You agree that any losses sustained by us and/or the Carrier in the event of cancellation would be very difficult or impossible to quantify, and the cancellation fees are fair and reasonable as liquidated damages.

PRICING: All prices are in US dollars. In the event that a cruise fare listed, quoted or advertised through any website, printed collateral, reservations person, travel advisor or any other source is booked, but is incorrect due to an electronic error, typographical error, human error or any other error causing the fare to be listed, quoted or advertised for an amount not intended by AmaWaterways, AmaWaterways reserves the right to correct the erroneous fare by requesting the passenger to pay the correct fare intended, or by canceling the cruise. Airfares, air taxes and air surcharges quoted on your invoice or by a reservation agent are only guaranteed once airfare deposit or full payment is received by AmaWaterways. AmaWaterways reserves the right to increase prices without notice.

PRICES DO NOT INCLUDE: Published prices do not include airfare, vessel fuel surcharges, passport and visa fees, baggage fees, port charges and fees, travel protection, vaccinations, laundry, additional food and beverages, optional excursions, gratuities or other items or services of a personal nature.

PASSPORT AND VISAS: A valid passport is required for each participant. For travel to Europe, at time of publication US Passport holders do not require a visa to travel. Passports must be valid for at least six (6) months after the scheduled return date to your home country, unless stated otherwise.

Non-US citizens must consult the appropriate consulates regarding visa and other document requirements. Obtaining required visas and any other required travel documentation and assuring these are complete and correct in all ways, is the sole responsibility of each participant. We are not in a position to obtain or verify the accuracy or completeness of any participant's visa or other required documentation and shall not be responsible or liable for delay or missed portion of any part of the itinerary or other problems resulting from the participant lacking the appropriate travel documentation. For more information, please visit www.AmaWaterways.com

FLIGHTS & AIRPORT TRANSFERS

FLIGHT SCHEDULES & AIRFARES: AmaWaterways offers special airfares based on the flight and seat availability of contracted carriers. We are able to accept a traveler's choice of preferred air carrier, flight schedule, and some deviations so long as the requests are made at the time of booking the airline reservation. To hold/confirm an airline reservation, the airlines require your full legal name as it appears on your passport. For contract airline fares, a non-refundable deposit of \$350 per person for economy class or \$600 per person for business/first-class tickets is required to issue ticket(s) within 24 hours for the flight schedule.

Any quoted price is not guaranteed, as well as when changes are requested by the guest, such as name or date changes, or if an airline-imposed schedule change is not accepted prior to ticketing. Once your airline tickets have been issued, any changes will be subject to penalty, and any applicable fare differential, if not cancelled within 24 hours of ticketing. Any itineraries that include intra-air flights require a non-refundable deposit (also applies to combination cruises). Should the name on your airline reservation not match your passport exactly, your airline reservation will have to be cancelled, full penalties will be assessed, and your reservation will have to be recreated subject to market pricing at the time of the new reservation. Any air schedules provided by AmaWaterways are subject to change without notice as imposed by the carrier due to reasons beyond our control. Airfares in conjunction with promotional offers are subject to specific terms as outlined with offer details.

Air tickets are Economy class. Upgrading to Premium Economy, Business or First Class is possible for an additional charge pursuant to the terms and conditions of the relevant airline(s). AmaWaterways guarantees upgrades for long-haul flights, but not U.S. Domestic flights, intra-Europe, intra-Asia, intra-Egypt and intra-Africa flights. Upgrades may not be possible when an air carrier changes the schedule, aircraft type, experiences a strike, overbooking or flight interruption of any kind. Air carriers reserve the right to do all the above. In such cases, all claims for airfare adjustment must be requested directly to the air carrier.

Air carriers require the passenger name to appear on the airline ticket exactly it appears on the passport. If it does not match exactly, AmaWaterways shall not be responsible or liable for the consequences which could include re-issue fees or denial of boarding. AmaWaterways shall not be responsible or liable for costs resulting from airline schedule changes, lost air ticket, delay, disruption or cancelled flight, lost or damaged baggage, missed connections, downgrades, denied boarding or voluntarily buying replacement tickets without the express consent of the air carrier. In any of these instances, claim must be made directly with the air carrier.

CHANGES: Airline tickets issued by AmaWaterways have restrictions and cannot be re-issued, transferred, or exchanged. Any changes whatsoever made to an airline ticket will incur a minimum \$350 per ticket change fee for Economy (\$600 for Business), plus any additional increase in the cost of the airfare. A change or refund request for tickets purchased through AmaWaterways must be made through AmaWaterways but may not be possible. Once a trip commences, only the date of the return flight ticket can be modified for \$350 per ticket change fee for Economy (\$600 per ticket for Business). Other changes may require purchase of a new ticket. The original return air ticket has no residual value.

LIMITATION ON SPECIAL REQUESTS AND FREQUENT FLYER NUMBERS: AmaWaterways will try to relay requests for special meals, adding frequent flyer numbers or for seat assignments, etc. However, confirmation of any request rests solely with the airline and the passenger or travel advisor must always confirm directly with the airline. It is recommended that each passenger provide their frequent flyer number to the airline at the time of check-in. Please note that airline tickets issued by AmaWaterways have restrictions that may not allow credit in part or whole for frequent flyer miles. Checking with the air carrier is the responsibility of the passenger.

BAGGAGE: Checked and carry-on baggage are subject to restrictions that usually involve weight, size and/or number of pieces. Please check with the respective airline regarding baggage policies. There are strict luggage restrictions for our programs in Africa; please ask for details. We shall not be responsible or liable for costs or consequences for exceeding the airline's baggage restrictions, or for loss, theft, damage or delay to passenger's baggage.

AIRPORT TRANSFERS: Guests purchasing transoceanic airfare through AmaWaterways may qualify for complimentary group airport transfers for a scheduled arrival between the airport and the ship or hotel, and on a scheduled departure between the hotel or the ship and airport. Airport transfers in Africa and Egypt to/from the hotel are included on the first and last days (when applicable) of your trip, unless deviating from advertised program. If airport transfers are not reflected on your confirmation, AmaWaterways will not be responsible for providing airport transfer service. Please note: our group airport transfer service may involve some waiting time. All guests making their own airfare arrangements are responsible for arranging their transportation to/from the airport (except Africa and Egypt). Individual airport transfers can be purchased for those guests who are scheduled to arrive/depart on our itinerary dates, please ask for details.

CHANGES IN CRUISE AND CRUISE & LAND ITINERARIES: Carrier seeks to provide services as published or stated in the Digital Travel Documents. But deviations to planned cruise, cruise & land itinerary or any other aspects of the travel may occur. If conditions make cruise routes unsafe for navigation or in other respects, or raise sufficient doubt about safety, Carrier reserves the right to modify or provide alternate services. These may include, but are not limited to, providing accommodation on the docked ship and/or substituting ground arrangements. An effort will be made to try to arrange elements of the cruise and cruise tour similar to those originally planned, but the level of similarity may vary. Except as otherwise provided in your Passenger Ticket Contract, such changes will not entitle you to any credit or a refund. Cruise, cruise & land routes, and all other aspects of the cruise and travel are subject to change with or without notice.

HOTEL ACCOMMODATIONS: We will seek to use hotels listed (if any) on your confirmation. Changes may be necessary; therefore, use of such hotels is not assured. An effort will be made to substitute similar hotels, but the level of similarity may vary. Standard policy for hotels is to have rooms available for check-in no earlier than 3:00 p.m. Subject to the discretion of the hotel, triple-occupancy hotel accommodations may involve the use of hotel rooms with just two beds. Only those guests who have elected to take our Cruise & Land package on the brochure itinerary dates will receive transfers between the hotel(s) and the ship.

CANCELLATION BY CARRIER: Carrier reserves the right to cancel, change or postpone any cruise departure date and itinerary.
