We will be pleased to provide the necessary information upon request.

Required travel document.

To join the cruise, an electronic passport with a minimum validity of six months beyond the end of the trip is required. We recommend having at least 15 blank pages available for entry and exit stamps from the various countries. For travelers with citizenships other than those indicated above, it is essential to contact the relevant consulate. Each country included in the itinerary must be assessed individually for entry requirements.

Medicines.

It is important to make sure you bring all the medicines needed for the entire duration of the cruise, considering that some destinations may have different or less organized healthcare systems, where not all medicines and dosages are available.

We strongly recommend taking out travel health insurance that covers all the countries included in the itinerary for the entire cruise period.

Health and safety advice.

To offer your Clients the best possible travel experience, we kindly ask you to inform us of any health conditions or special needs that may require attention during the cruise.

This will allow us to provide the best possible assistance, especially considering the unique nature of the itinerary, which includes consecutive days at sea. Emergency disembarkation operations, if needed, are likely to be longer and more costly if not supported by adequate insurance coverage, and may result in sudden itinerary changes compared to what was originally planned.

Arrival and departure information.

For those traveling by air, we recommend arriving at the airport **at least 3 hours before departure** to best handle any potential delays or disruptions.

BagExpress.

With the BagExpress service, luggage will be picked up directly from the address indicated by the guest, delivered to the cabin, and at the end of the cruise returned to the same address.

Silver members receive a 10% discount on the BagExpress service. Gold and Platinum members enjoy a 10% discount on the second piece of luggage.
