La Dolce Vita along the Italian coastline

In the heart of Tuscany, Italian ingenuity came to life from the 12th to 14th centuries as the precursor to the Renaissance. The streets, squares, palaces, and churches in Florence and Lucca reflect the beauty, charm, and authenticity born from the movement. Outside the city, experience dazzling Tuscan vineyards and countrysides carpeted with olive and cypress trees.

Discover the pink limestone streets of Portoferraio on Elba. We'll continue on to the Maddalena Archipelago in Sardinia, cruising past granite rocks and hidden beaches with turquoise waters. The Costa Smeralda shores offer views of jagged banks alternating with peaceful bays. Our last stop is the unforgettable Cinque Terre and its colorful homes suspended over the open sea.
